

## Ask a hedge fund manager why they love their BlackBerry.

Hedge fund management is a high-risk, high-return trading game. It lures big players – and even bigger money. To stay on top of this fast-paced business, you need 24/7 connectivity to the latest news, data and market information. That's where the BlackBerry® smartphone and the BlackBerry solution come in. You can now respond to market movements, access critical information, trade, sell and manage your portfolio – no matter where you are.

### Favorite Features\*:

- Access market data
- Get the latest news about securities
- Obtain profit and loss information
- Operate out of your office – at all times
